DAY AND NIGHT, FULL LEASED WIRE TELEGRAPHIC SERVICE.

Annual Convention of Municipal League Will Open Today

PARTY HEADS URGE FULL REGISTRATION OF VOTERS MONDAY

Last Chance to Qualify for Fall Election.

Next Monday, Oct. 9, is the final New, and Ed Casey were appointed. day for registration for the general election in November. All voters who have not already registered and who do not register then will be unable to vote at the November!

The local chairmen of both parties yesterday emphasized the need tration in future years, democratic and republican workers are urging that all eligible voters make certain

Busy "Mopping Up"

up" registration since the last regis- building at 8 o'clock Friday night. tration day, Sept. 9. The registration the first day was a disappoint-ment, as less than 30 per cent of REPUBLICANS PLAN the qualified voters availed themselves of the privilege. To make certain of a large vote this full, the precinct workers have been making house-to-house canvasses in order to obtain registrations, which may be obtained prior to the actual day

However, despite their efforts, many persons in St. Joseph county Beveridge, Watson and Roosehave not been registered, indications pointing out that in some sections of the city particularly where expansion has been rapid, there has

many thousands Monday owing to speak, are to be scheduled. the fact that many filled-out forms / These include Albert J. OFFICIALS OF MANY INDIANA CITIES TO

ton, Ia., treasurer. Rev. Father Three Hundred Delegates Expected — City Planning Exhibit Feature.

> Starting Wednesday morning and continuing for three days South Bend will be host to several hundred representatives of practically all the cities and towns of the entire state. The event which will bring so many strangers to the city will be the opening of the annual convention of the Indiana Municipal league, and the league will hold its sessions here on Wednesday, Thursday

> Three hundred delegates are expected to attend the convention, the vanguard having begun to arrive

Leaders in civic affairs in the city look upon the event as a means of showing leading figures in civic development from all over the state just how South Bend is showing the is believed will make this year's convention of the league the most successful ever held, and the city's officials and private citizens are working hand in hand toward the success of the convention so that turn to their respective cities full of enthusiasm over what South Bend s accomplishing.

An exhibit of proposed plans for new street systems in various cities of the United States which will be shown in the auditorium of the features of the Indiana Municipal tomorrow in South Bend with its been little interest manifested in the Three big republican rallies will headquarters at the Oliver hotel. The plans are from the office of Harland Bartholomew, city planning tract as city engineer, including South Bend, Madison, Wis., Evans-
